JUNE/JULY 2023

"SHELTER FROM THE STORM"

Destined for India in 1830, Scottish missionary & educator, Alexander Duff, was hopelessly caught in a storm at sea.

Shipwrecked by the crashing waves, he and his fellow passengers survived on a desolate & tiny island off the coast of East Africa.

Indeed ~ God HAD "sheltered them from the storm."

Grateful to be alive, another miracle followed when Alexander Duff's water-logged BIBLE inexplicably washed up on the tiny island's beach.

Drying the ocean-soaked pages in the air & bright sunlight, Alexander read Psalm 107 to his fellow castaways, which gave them inner hope & newfound courage. He found these verses to be prophetic:

"He stilled the storm to a whisper; the waves of the sea were hushed. They were glad when it grew calm, and he guided them to their desired haven." (Psalm 107:29)

Wondrously, following a rescue and a SECOND shipwreck, Alexander Duff miraculously landed in India ~ where his missionary & education work continued, at long last.

This true-life story of survival and faith in God's "master plan" resonates with us today. How HAS God carried you through "stormy seas?" How DOES Alexander Duff's desire to encourage other castaways inspire us in OUR faith life?

Let us continue together in our faith journey as a congregation, as witnesses to God's presence in our lives!

In faith, in fellowship ~

Darin Wooters

As the Body of Christ

Peace and Grace,

The Iowa Annual Conference is a conference of 750 churches. We recently held a Special Conference on May 23rd with the focus of voting on the churches that have chosen to disaffiliate. 83 churches or 11% have voted to disaffiliate. We will miss their presence and their participation in our conference. It is a moment of grief for them and for us.

We in the United Methodist Church are experiencing the painful reality of schism. John Wesley talked of schism, warning against it and encouraging unity. The United Methodist Church is not new to schism because we are a church which encourages diversity in thought. The church experienced schism over ordaining women pastor and over slavery issues. In both cases the church eventually reunited. There have been small denominations that have broken away from the United Methodist Church early on, and they continue to minister to their congregations and communities very actively, one of these being The Church of the Nazarene and others who are part of the holiness movement.

Schism is very difficult, but it is not the end. In our case, it is the beginning for a new denomination and a fresh reevaluation for the denomination that continues. Currently, the congregations in our circuit and closest to us in proximity have maintained their presence with the United Methodist Church.

The purpose of the poll on May 14th was to give your church leadership a sense of who we are. Our council has yet to meet to discuss and then to share the poll with you. What is clear is that Gowrie UMC is a church of diverse thought. Many of us worry about how decisions of the larger United Methodist Church may impact who we are, and if we will be forced as a congregation to do or accept things that are outside of our beliefs.

We do not know what 2024 General Conference may decide. We do know that it will be made up of brothers and sisters of the United Methodist Church from around the world who are like us in having a diverse set of beliefs. We do know that the UMC appoints Pastors to charges that will help that church prosper in their mission and ministries, which are determined by the church.

The missions and ministries of this church body will go on, much as it has in the past. They will reflect our communities needs and the work of Christ in our midst. We walk forward with the love of Christ and love of others directing our primary command as a church, which is to make disciples. Let us embrace one another in new ways, caring for each other with the love that Christ offers us.

Blessings

Pastor Susan
